A School's Guide to Implementation

Build your own implementation plan

Education Endowment Foundation

Problem (why?)

What problems are we solving?

What needs to change?

Type here...

Intervention Description (what?)

What are the core components of the approach?

What will people do to address the identified needs?

Type here...

Implementation Strategies (how?)

What blend of strategies are required to implement the approach?

How will we draw on the behaviours and contextual factors to do these strategies well?

Type here...

Implementation Outcomes (how well?)

How will we know the approach is being implemented well?

What milestones can we measure along the way?

Short term

Type here...

Medium term

Type here...

Long term

Type here...

Final Outcomes (and so?)

What do we want our plan to achieve?

How will pupils, teachers and the school benefit?

Type here...
