

Programme Overview

Year 6

- Strategically map 'words worth teaching' across the curriculum for the last 100 days of year 6.
- Use a 'Turn and Talk' framework to build pupils' confidence to talk about their learning, make connections across the curriculum and develop secure vocabulary knowledge.

Body

The Vocabulary Leap at Transition

- Collaborate on a citywide survey of 'words worth teaching' to support curriculum continuity of academic vocabulary at KS2-KS3 transition.
- Secondary and primary clusters to co-create curriculum resources around a 'Turn and Talk' framework to support pupils to transfer strategies to meet the challenge of the 'vocabulary leap' in Year 7 with confidence.

Year 7

- Strategically map 'words worth teaching' across the curriculum for the first 100 days of Year 7.
- Use a 'Turn and Talk' framework to build pupils' confidence to talk about their learning, make connections across the curriculum and develop secure vocabulary knowledge.
- Explore vocabulary through a disciplinary lens, i.e. how to use talk and vocabulary instruction in different subject areas.
