

Contents

Before		
1A	Check prior knowledge and vocabulary necessary to access the text.	P1
1B	Pre-teach vocabulary and subject knowledge required to access main ideas.	P4
1C	Set clear objectives for the reading eg find evidence, understand reasons.	P6
2A	Script technical subject vocabulary and metacognitive strategies to be used.	P8
2B	Craft short, crisp explanations of selected 'fingertip' words and phrases.	P11
2C	Write comprehension and inference questions to check/build understanding.	P12
3A	Get texts ready for teaching eg headings, formatting, cohesion devices.	P14
3B	Identify supporting resources eg paired texts, timelines, word banks.	P20
3C	Design appropriate graphic organisers eg diagrams, images, overviews.	P22

Contents

During		
4A	Read with fluency and provide opportunities for pupils to practise theirs.	P25
4B	Use the Big Five reading strategies to aid comprehension.	P29
4C	Develop independent reading strategies: annotating.	P33
5A	Define 'fingertip' words and general vocabulary with short explanations that maintain the flow.	P37
5B	Teach academic words and subject terminology using vocabulary principles.	P38
5C	Use etymology and morphology to help pupils learn words for themselves.	P44
6A	Ask <i>Check</i> questions to ensure pupils can identify basic factual details.	P46
6B	Ask <i>Link</i> questions to support pupils to understand ideas within the text.	P47
6C	Ask <i>Connect</i> questions to help pupils relate to ideas outside of the text.	P48

Contents

After		
7A	Set short quizzes or tasks that check pupils' understanding.	P50
7B	Review books for understanding and evidence of metacognitive strategies.	P52
7C	Give pupils prompts to reflect on the difficulties and challenges they faced.	P57
8A	Give pupils structured written tasks that help them summarise main ideas.	P58
8B	Provide scaffolded oral opportunities for pupils to discuss understanding.	P61
8C	Set sponge tasks to develop depth of new vocabulary knowledge.	P63
9A	Give class and/or individual feedback focusing on next steps for learning.	P66
9B	Feed back on the strategies used to aid comprehension eg making notes.	P68
9C	Celebrate examples of pupils who have used the strategies successfully.	P72
	Appendix	P73
