

# STRATEGIES FOR IMPROVING ATTENDANCE

Struggling with attendance issues in your school? Poor attendance remains a common challenge, particularly for disadvantaged students, and it has a direct impact on their educational outcomes.

## COURSE OVERVIEW

In this webinar, we'll explore evidence-based strategies proven to boost attendance and narrow the disadvantage gap. Join us for practical solutions that can create real, positive change in your school.

## COURSE DETAILS

### DATE AND TIMES

Monday 2nd December 2024  
15:30-16:30

### VENUE

This is an online event.

### AUDIENCE

Primary and secondary school leaders responsible for managing attendance.

### COST

Free to attend (please note, non-attendance without prior notification may incur a charge)

## FACILITATOR

Nicola Williams is a highly experienced principal and associate executive principal, with a proven track record of delivering outstanding outcomes for students. Nicola facilitates a range of NPQ leadership programmes and has delivered CPD to school leaders on improving attendance.
