

Making School Programmes Stick

Using the EEF Implementation Guidance Report Effectively

As school leaders, we know that even the strongest ideas will fail to make an impact if they are not implemented well. Taking time to thoroughly explore different approaches and prepare for implementation can make a strategy much more likely to stick.

In this session we will be looking at the explore and prepare stages of implementation. Attendees will

- Discuss the relevant EEF guidance in depth
- Analyse real-world case studies of exploration and preparation
- Discuss and reflect on their own plans for exploring and/or preparing for implementation with colleagues

This session is suitable for leaders across all educational settings.

Date: 10 June

Time: 1.30-4pm

**Venue: The Shell Store
HR2 6SR**

No Cost
