### During the training you will ...

- Engage with the latest guidance, research and evidence relating to Pupil Premium, disadvantage and inclusion.
- Strengthen your understanding of the needs of disadvantaged pupils within your own context.
- Develop a range of practical, evidence-informed resources to support staff development and school improvement.
- Work collaboratively with Pupil Premium leaders to share effective practice, learn from one another, and explore common challenges and solutions.
- Consider how your Pupil Premium strategy can be aligned with wider school priorities, including inclusion, attendance, SEND and attainment.
