

Mobilising Metacognition

Led by James Crane & Ben Crockett

Durrington
Research
School

Supported by the Education Endowment Foundation

Dates and time

3 x Online Sessions

15:30 - 17:00

Mon, 10 Nov 2025

Thu, 4 Dec 2025

Thu, 11 Dec 2025

This programme will explore the research evidence around metacognition and how this can be mobilised in schools, to help our pupils to become better at self-regulating their learning. It will include practical strategies for how metacognition can be successfully developed in the classroom.

£200 per school
