Supporting SEND Students in Mainstream Schools

Led by Kate Blight

Sessions will explore the recommendations that the EEF set out for supporting students with a SEND in the mainstream school. We will look at practical strategies that can be put in place to support these students, what barriers exist, and the provision that can be made to support all learners in making progress throughout their education.

3 Online Sessions - £150 per delegate:

3:30 - 5pm

9th October 23 – 6th November 23 – 20th November 23
