

# Developing Teaching Assistants

Underpinned by research evidence from the Education Endowment Foundation's (EEF) recently updated *Deployment of Teaching Assistants Guidance Report*, this programme will support teaching assistants from all phases of education to develop their practice. It will explore building effective teacher-teaching assistant partnerships, supporting high quality teaching and learning for all, effective scaffolding to develop pupils' independence, and delivering high-quality structured interventions.

## Programme Overview

The programme comprises four pre-recorded sessions. The sessions will be released on the following dates and are designed to be viewed with a suitable gap between sessions.

### Video 1:

Released w/c 26<sup>th</sup> January 2026

### Video 2:

Released w/c 23<sup>rd</sup> February 2026

### Video 3:

Released w/c 16<sup>th</sup> March 2026

### Video 4:

Released w/c 20<sup>th</sup> April 2026

## Programme Details

### Facilitators

This programme is facilitated by colleagues from Exchange Research School.

### Platform

Sessions will be pre-recorded and uploaded to YouTube. A private viewing link will be sent out to registered email addresses in line with the release dates.

### Audience

This programme is aimed at teaching assistants from all phases.
