

Tackling Educational Disadvantage

Led by James Crane

This programme will look at the issues associated with educational disadvantage and help school leaders identify the specific challenges faced by their pupils. We will then explore how the research evidence can be used to support the content and effective implementation of your Pupil Premium Strategy.

3 Online Sessions - £150 per delegate:

3:30 - 5pm

8th November 23- 7th December 23- 15th January 24
