

# A Case Study of Effective Transition to Secondary School

## Online Twilight

Thursday 9<sup>th</sup> June

16:00 – 17:15

Transition is a time of change between classes, year groups and settings. Research evidence that attends transition is largely focused on the move from primary to secondary. However, principles can be learned for other potentially vulnerable transition points. Several studies have shown a dip in attainment coinciding with transition, especially in literacy and numeracy.

*Facilitated by Juliet Stafford, Deputy Head Teacher at Etone College, local primary leads and Staffordshire Research School.*

A Case Study of how *Etone College has worked with local primary schools* on different aspects of transition, including curriculum and CPD. And a review of the EEF's 'School Transitions Tool - A Trio of Challenges'.

**Who it's for** - This course is suitable for Primary & Secondary Senior & Middle Leaders with responsibility for and interest in transition.
